GENERAL'LY SPEAKING

Week of December 18, 2017

Dispatches From
The Eisenhower Memorial Commission

Happy Holidays and
Warm Wishes for 2018!

- From all of us at the Eisenhower Memorial Commission -
Salute to Ike's Supporters

This week the Commission is delighted to announce receipt of two gifts. One from Hugh K. Schilling at the General of the Army giving level and the second from the Dr. Scholl Foundation at the Legacy giving level.

EMC would like to express its sincere gratitude to the Grayson College Student Veterans Association for taking the initiative to raise funds in support of the construction of the Eisenhower Memorial. Grayson College is located in Denison, Texas, the birthplace of Dwight Eisenhower, making their support particularly noteworthy. We are inspired that the student veterans unanimously voted to support the construction of a national memorial to, in their own words, “their city and state's most revered veteran.”

We extend our deepest appreciation to all of our donors for their generous contributions in support of Ike's memorial. Donations from our supporters make it possible for us to move ever closer to completing construction on the National Eisenhower Memorial in the heart of our nation's capital.

Donate now at Pay.Gov to make an online contribution and join the many patriotic Americans, multi-national corporations, foreign nations and elementary school students in honoring this great American, Dwight D. Eisenhower.

All donors are prominently recognized on our Virtual Donor Wall.

**Ike's Timeless Legacy**

**First Supreme Allied Commander, Europe (SACEUR) of NATO**

“In all history this is the first time that an Allied Headquarters has been set up in peace to preserve the peace, and not to wage war.”

-Dwight D. Eisenhower

On December 19, 1950, Eisenhower was appointed as the first Supreme Allied Commander, Europe (SACEUR) of the North Atlantic Treaty Organization (NATO) by President Truman following the request of eleven NATO member nations. Under his leadership, a framework was established for the defense of Western Europe from Soviet aggression and the promotion of political integration.

"This is the President of the United States speaking. Through the marvels of scientific advance, my voice is coming to you from a
satellite circling in outer space. My message is a simple one. Though this unique means, I convey to you and all mankind, America's wish for peace on earth and good will to men everywhere."
