WASHINGTON, DC – The Chairman of the Eisenhower Memorial Commission, Rocco Siciliano, today announced the resignation of Senator Jack Reed from the Commission:

“As one of our founding commissioners, Senator Reed has selflessly served on the Commission with great energy and attention since its inception in 2001. As a military veteran and graduate of the United States Military Academy at West Point, he provided keen insight into the importance of President and General Eisenhower’s military experience and leadership to the fundamental core of Eisenhower’s roots and legacy. I and the other Commissioners appreciate his long, dedicated service, and his counsel will be sorely missed as we press forward with this important project.”
